Dear Mr. Beezy and the Kwanis:

I would like to take this opportunity to thank you for the clipper tickets that you so generously donated to our children. The children enjoyed the game a great deal. Thank you for your consideration and thoughtfulness.

The Masonic Homes of California at Covina was founded in 1914 to serve children in need. Our origin was that of an orphanage, providing a nurturing home for children of Master Masons. In 1997, we opened our campus to serve, not only children of Masons, but children in need in the community at large. The Masonic Home for Children is a residential care facility for children ages 4-17 years of age. We are licensed by the state of California and can accommodate up to 56 children in our program. Today, our program is focused on providing the best care possible for children ages 4-17. Our goal is to assist the children's families in overcoming their obstacles so that the children may be able to return to the family home with a greater chance of success.

We are very appreciative to individuals like you and the Kwanis organization who assist us in making our children feel special and help us provide a more enlighten childhood. Thank you for your support and helping us enrich the lives of the children in our care.

Sincerely,

Sabrina Montes,  
Interim Director of the Director of Children & Family Services  
Masonic Homes of California at Covina
